

# Chapter 16

The pouring out of the accumulated “Wrath of God”

## The Sixth Bowl Judgment

# Euphrates River Dries Up

Revelation 16:12 “Then the sixth angel poured out his bowl on the great river Euphrates, and its water was dried up, so that the way of the kings from the east might be prepared.”

This literally means what it says, the great river Euphrates which runs through Iraq today will be dried up so that the armies of the Kings of the East can pass over on dry ground. There is only one guess where this army from the East is headed; they have an appointment in the Valley of Armageddon.

Prophecy:

Isaiah 11:15-16 “The LORD will utterly destroy the tongue of the Sea of Egypt; With His mighty wind He will shake His fist over the River, And strike it in the seven streams, And make men cross over dry-shod. There will be a highway for the remnant of His people who will be left from Assyria, As it was for Israel In the day that he came up from the land of Egypt.”
